Kleenwood Day's Event Schedule

(Unless otherwise directed)

9:00 A.M. - Meet at your local pool.

Bring your family, friends, or enemies and collect available supplies from a TEAM CAPTAIN. (You are also welcomed to bring your own supplies.) The Team Captain will have some last minute directions, safety tips, and contact information to report your full trash bags and large 'haul-off' items for pick-up. Feel free to share trash Hot Spots you have identified with your team captain.

9:00 A.M. to 12:00 Noon – Clean it like you mean it!

No trash should be safe that day. If it's in our woods please help locate it, bag it, and send it out of town. (Safety is the only thing that is higher than cleanliness this day. Please be careful throughout the day.) Be courteous of others by including them in all pickup opportunities. We would rather have 63, 000 residents pick up 5 pieces of trash than 5 residents picking up 300,000 pieces of trash. Remember, to some, this Red Letter Day is an educational opportunity.

12:00 Noon to 2:00 P.M. – Meet back at Pines Montessori School (3535 Cedar Knolls, Kingwood, TX
Music, Food, Fun and plenty of pats on the back!

2:00 P.M. – Go Home! (with a smile on your face and take a guilt-free rest.)
